WHAT WE KNOW

- **Income** is a significant determinant of food insecurity
 - Unexpected **expenses** or **large bills**
 - Living on a **low income**
 - NB: JobKeeper and JobSeeker worked!
 - Difficulties with **rent** or **mortgage repayments**
- **Social stigma** is a barrier to asking for help
 - Food insecurity is new for many
 - Avoiding re-traumatising is crucial (eg One Stop, One Story)
- The **path to recovery** will be long and complex
